Presents

Connie Cleveland's Problem Solving Seminar

November 23 – 24, 2019

www.dogtrainersworkshop.com

About the Seminar:

Connie will spend the first hour talking about dog training principles. Then she will work individually with the handlers and dogs with working spots (limit 20 per weekend). During this time, Connie will work with each team in a one-on-one session about whatever exercises/issues the team is experiencing. (Auditor spots are available: limit 60 per day).

About Connie:

Connie is an internationally recognized dog trainer who offers specialized weekend training seminars to competitive dog trainers and instructors around the country and overseas. Her own experience includes 11 Obedience Trial Champions (OTCH), 2 Field Champions (FC), 5 Amateur Field Champions (AFC), a UDT Maltese and a CDX Shih-Tzu. Connie is also the owner of Dog Trainers Workshop, a full-service dog training and boarding facility near Greenville, SC. Dog Trainers Workshop features an array of classes, day and boarding schools, and private lessons for puppy owners, those starting out in obedience training, obedience competitors, and owners with problem dogs.

As important as Connie's achievements in training her own dogs is her passion for teaching others. At Dog Trainers Workshop Connie's team teaches obedience to more than 100 students each week. She conducts several webinars a year and has developed digital training products addressing puppy training, ring preparation, proofing, retrieving, and tricks that transition to obedience exercises. She is the author of a DVD series, "How Dogs Learn, The Connie Cleveland Method" and a book entitled "Dogs Are Problems Solvers, Handlers Should Be." She is a regular contributor to Front & Finish, The Golden Retriever News, and the Greenville Business Journal.

DVD Sets will be available for purchase.
